# INTRODUCTION AND GENERAL INDEX

---

HILL DIRECTORY COMPANY, publishers of Southeastern Directories, present to subscribers and the general public, this, the latest edition of the Rockingham and Hamlet Directory, which also includes Cordova and Glenwood. (In all, the HILL DIRECTORY COMPANY and its affiliated companies publish more than 1,400 City, County, State and National Directories).

Confidence in the growth of Rockingham and Hamlet's industry, population and wealth, and in the advancement of their civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Rockingham and Hamlet to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Rockingham and Hamlet Directory will fulfill its mission as a source of authentic information pertaining to the communities.

## Five Major Departments

The five major departments are arranged in the following order:--

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business Section, which embraces a list of the names and addresses of all business and professional concerns of the communities, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the communities. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In busy and diversified communities like Rockingham and Hamlet, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents, business and professional concerns is the second major department, printed on white paper. This is the only record in existence that aims to show the

855070  
Gift, Public Lib. of Charlotte + Mecklenburg Co.

name, marital status, occupation and address of each adult resident of Rockingham and Hamlet, and the name, official personnel, nature and address of each firm and corporation in the communities.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section, the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner occupied homes, the listing of telephone numbers, and Zip Codes.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

V. THE RURAL ROUTES DIRECTORY is the fifth major department, printed on white paper.

### Community Publicity

The Directory reflects the achievements and ambitions of the communities, depicting in unbiased terms what they have to offer as a place of residence, as a business location, as a manufacturing site, and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Rockingham, Hamlet and vicinity.

### The Rockingham and Hamlet Out-Of-Town City Directory Library

Through the courtesy of the publishers of the Rockingham and Hamlet Directory, Directory Libraries are maintained in the offices of the Rockingham Chamber Of Commerce, and the Hamlet Chamber Of Commerce, for free reference by the general public. This is one of more than 800 Directory Libraries installed in cities and towns throughout the United States, Canada, and Puerto Rico through the courtesy of your publisher.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

## GENERAL REVIEW

The County of Richmond was cut out of Anson County and formed November 10, 1779. It was named in honor of Charles Lennox, the Duke of Richmond. There was no town in the new county and the first court was held 3½ miles west of the present town of Rockingham. Then on June 2, 1784, the North Carolina Assembly in session at Hillsboro passed an act establishing the town of Rockingham. The new town was named after the Marquess of Rockingham, Charles Watson-Wentworth. Marquess of Rockingham was a recognized head of the liberal wing of the Whig Party in 1764. In late 1765, the Marquess became Prime Minister of England. It was because of his sympathies with colonies that the town was named Rockingham.

Rockingham, the County Seat of Richmond County, is located on the edge of the Sandhills region of the state. It is 75 miles east of Charlotte on U. S. Highway 74, 13 miles north of the South Carolina border and is 100 miles south of the state capital of Raleigh on U. S. Highway 1. Since the beginning of our nation, Rockingham and Richmond County have been leaders in the textile industry. In the past few years other industries have grown with the textiles: paper products, hosiery mills, furniture plants, food processing plants and foundries. Agriculture also plays a large part in the economy of Richmond County and Rockingham. There are 105,000 acres under cultivation with 1,542 farm families, with a farm income of \$15,773,180 for 1969. The major products on the farms in Richmond County today: turkeys, broiler chickens, egg production, beef cattle, hogs. Crops grown: corn, cotton, tobacco, watermelon and hay crops for livestock feed. The Sandhill area is a prime peach producing area. Last year over 360,000 bushels were produced and shipped fresh.

Recreational facilities in Rockingham and Richmond County are excellent. Rockingham has two parks with swimming pools and tennis courts. The town of Hamlet, 6 miles distance, has two parks with a large public lake. The Richmond County Country Club has an excellent 18-hole golf course of 6,200 yards par 72. Richmond County has excellent hunting and fishing facilities with McKinney National Fish Hatchery of 514 acres, and the North Carolina Sandhill Wildlife Management Area of 57,000 acres with 10 fishing lakes. Deer, dove and quail hunts are permitted throughout the hunting season. The National Bird Dog Field trails are held at the Sandhill Wildlife Management Area from October 4 through April 1st. In 1965, the North Carolina Motor Speedway was completed. This speedway has seating for 50,000 people with a 1 mile paved track. There are two NASCAR races each year, one held in the Spring, and the other in the Fall. The Rockingham International Dragway was completed in September, 1969. There are two races sanctioned by the American Hot Rod Association held each year, one in April, and the

other in September. This one-mile strip has paved pit and staging area for all participants. Rockingham is located only 30 miles south of the famous Winter resort of Pinehurst and Southern Pines, North Carolina with many beautiful golf courses.

Rockingham has always had the distinction of being a retail trading center. The retail area is approximately 75 miles in diameter and the population in the trading area is 100,000. Retail sales in Richmond County in 1969 were \$71,824,938. The estimated retail sales in Rockingham today are \$41,525,000. Rockingham has a sales activity index of 393, a quality index of 193.

The Greater Rockingham area has 22 churches within a 5 mile radius of the center of Rockingham, encompassing 10 denominations. There are 17 civic clubs and organizations active in the Greater Rockingham area. These churches and civic clubs play an active part in the civic development of the community.

The future is indeed bright for the development of Rockingham and Richmond County. Among the programs and projects scheduled in the next few years are: (1) the westside Urban Redevelopment, this program encompasses 74 acres just off the main business district of Rockingham. It is envisioned that the 74 acres will be filled with new business and service establishments and light industries. More than doubling the size of the downtown shopping area. (2) The formation by the Richmond County of an Industrial Development Commission and the hiring of a Director of this commission. The Greater Rockingham area has always been an industrial area and the fine calibre of workers found in this region as well as excellent sites should bring about great expansion of our present industries, and an influx of new industries within the next few years. (3) The Richmond Technical Institute Building was completed in 1967. Already the programs put on by this Technical Institute have been of great value to the area. (4) Three units of public housing have already been completed and applications have been made for more housing units. (5) The relocation and 4 laneing of U. S. Highway 220 should have a tremendous impact on this area. Plans are also in the making to relocate and expand U. S. 74. Reigal Paper Corporation has established an industrial park of some 1500 acres that will contain approximately 30 sites for industry location.

Rockingham welcomes industry, business and new residents. The Rockingham Chamber Of Commerce and Merchants Association will be happy to supply anyone with information concerning Rockingham and Richmond County. ## — CLERKS! —

Do your employers furnish you with  
the latest edition of the City Directory?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

# Helping To Build A Finer Carolina

CP&L contributes to the area's growth in many ways. For example, when our industrial development specialists help a new industry find a site, it improves job opportunities and increases the local tax base. When our agricultural development engineers help a farmer produce more profitably, it increases the flow of money in an area. So helping build a Finer Carolina is more than just a nice-sounding phrase. It's our daily way of doing business.

# **Power of Advertising**

THE CITY DIRECTORY is the power that generates information for the buyer that he may know who deals in the product he wishes to purchase. If your business is not classified properly, and a display advertisement arranged to describe your business, how can you expect the buyer to trade with you?

ADVERTISING is the foundation upon which successful businesses are built. You must apply this to your own particular business.

ADVERTISING is the power of an idea multiplied.

## **Our Service Cannot Be Excelled**

# **The City Directory**

**represents the City and its  
institutions in every cor-  
ner of these United States**

**Are You Properly  
Represented In It?**

---

**The Classified portion  
catalogues the professions  
and goods handled here**

**ARE YOU LISTED UNDER YOUR PROPER HEADING  
SO THE PROSPECTIVE BUYER CAN FIND YOU?**

CAUTION

Pay no money in advance to itinerant Directory Commissioners. We are led to mention this from the fact that certain parties have been fraudulently taking our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

CAUTION

Pay no money in advance to itinerant Directory Carriers. We are  
led to mention this from the fact that certain parties have been fraudulently  
using our publications on specimens, and by that means collecting money  
in advance. Before signing an order, see that it has the name of the  
publisher of this City Directory printed thereon. We ask no payment until  
the work is delivered, and our solicitors have strict orders not to take  
advance payment for either advertising or subscriptions.

CAUTION . . . . .

Pay no money in advance to *Miner's Directory Carriers*. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

Pay no money in advance to **Illustrated Directory Companies**. We are  
led to mention this from the fact that certain parties have been fraudulently  
using our publications on specimens, and by that means collecting money  
in advance. Before signing an order, see that it has the name of the  
publisher of this City Directory printed thereon. We ask no payment until  
the work is delivered, and our solicitors have strict orders not to take  
advance payment for either advertising or subscriptions.

CAUTION

Pay no money in advance to itinerant Directory Carriers. We are led to mention this from the fact that certain parties have been fraudulently using our publications on specimens, and by their means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

# CAUTION

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of R. L. Polk & Co. printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take payment for either advertising or subscriptions.

## STREET and AVENUE GUIDE INCLUDING TELEPHONE NUMBERS, HOME OWNER SYMBOLS and ZIP CODES 1972

Including Cordova and Glenwood

In the following list the numbered streets are arranged in numerical order followed by the named streets in alphabetical order, the intersecting streets being shown. The number of each building on the street is given in numerical order, and opposite the number is placed the name of the occupants or houseowner or tenant. In the business blocks containing offices the occupants are shown by room numbers where practicable, in apartment homes the number denotes the number of the apartment. In all streets both sides of the street are included in one list. The profession or business of individuals or firms is given only at their respective place of business; to find occupation of others refer to Alphabetical List of Names.

The symbol © following a householder's name indicates that we have received information during the canvass that the house is owned by some member of the family, but as the publisher cannot and does not guarantee the correctness of the information furnished, nor the complete absence of mistakes, no responsibility for errors can be or is assumed, nor can the publisher furnish further information than that shown.

Telephone numbers, as supplied to us on our canvass are shown opposite names.

Zip Code numbers are shown immediately following each street description. If a street runs through more than one zone, the new Zip Code number is shown immediately preceding the lowest street number in the new zone.

The numerals that appear at right edge of columns, ahead of street descriptions and some street intersections, are merely for the guidance of the publishers, and have no other significance.

This section includes some listings reading "No Return." In each case the Publishers tried diligently, by various means, to obtain the information for the occupants but were unsuccessful. First, two personal calls were made by an enumerator; next, a double postal card was mailed and the telephone used when possible.

CAUTION . . . . .

Pay no money in advance to itinerant Directory Carriers. We are led to mention this from the fact that certain parties have been fraudulently using our publications on specimens, and by their means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

CAUTION

Pay no money in advance to itinerant Directory Commissioners. We are led to mention this from the fact that certain parties have been fraudulently taking our publications on specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

CAUTION

Pay no money in advance to itinerant Directory Commissioners. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by their means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

CAUTION . . . . .

Pay no money in advance to Hamlet Directory Company. We are led to believe this from the fact that certain parties have been fraudulently using our publications on speculations, and by that means collecting money in advance. Before signing an order, ask that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

# **FAIR PRACTICE CODE**

## **for ADVERTISING and SELLING**

**recommended by the ASSOCIATION OF  
BETTER BUSINESS BUREAUS, INC.**

I. Serve the public with honest values.

II. Tell the truth about what is offered.

III. Tell the truth in a forthright manner so its significance may be understood by the trusting as well as the analytical.

IV. Tell customers what they want to know — what they have a right to know and ought to know about what is offered so that they may buy wisely and obtain the maximum satisfaction from their purchases.

V. Be prepared and willing to make good as promised and without quibble on any guarantee offered.

VI. Be sure that the normal use of merchandise or services offered will not be hazardous to public health or life.

VII. Reveal material facts, the deceptive concealment of which might cause consumers to be misled.

VIII. Advertise and sell merchandise or service on its merit and refrain from attacking your competitors or reflecting unfairly upon their products, services, or methods of doing business.

IX. If testimonials are used, use only those of competent witnesses who are sincere and honest in what they say about what you sell.

X. Avoid all tricky devices and schemes such as deceitful trade-in allowances, fictitious list prices, false and exaggerated comparative prices, bait advertising, misleading free offers, fake sales and similar practices which prey upon human ignorance and gullibility.

CAUTION

Pay no money in advance to Illustrated Directory Companies. We are  
led to mention this fact that certain parties have been fraudulently  
using our publications as specimens, and by that means collecting money  
in advance. Before signing an order, see that it has the name of the  
publisher of this City Directory printed thereon. We ask no payment until  
the work is delivered, and our solicitors have strict orders not to take  
advance payment for either advertising or subscriptions.

represents the City and its  
institutions in every cor-  
ner of these United States

**Are You Properly  
Represented In It?**

The Classified portion  
catalogues the professions  
and goods handled here

ARE YOU LISTED UNDER YOUR PROPER HEADING  
SO THE PROSPECTIVE BUYER CAN FIND YOU?

# **Power of Advertising**

THE CITY DIRECTORY is the power that generates information for the buyer that he may know who deals in the product he wishes to purchase. If your business is not classified properly, and a display advertisement arranged to describe your business, how can you expect the buyer to trade with you?

ADVERTISING is the foundation upon which successful businesses are built. You must apply this to your own particular business.

ADVERTISING is the power of an idea multiplied.
